👤 PROFILE

With over 10 years of experience as a web developer, I specialize in creating, managing, and optimizing websites for seamless performance. Proficient in WordPress, PHP, HTML, CSS, JavaScript, jQuery, and Bootstrap, I also have a strong background in MySQL database management and SEO optimization. I excel at designing custom themes, developing plugins, and building responsive, user-friendly websites. Passionate about leveraging web technologies, I focus on enhancing functionality, efficiency, and overall user experience.

🎓 EDUCATION

Bachelor of Engineering, Technological University, Mandalay

2011 — 2012

Graduated with high honors, studying TCP/IP protocols, AI concepts like machine learning, and Computer Architecture focusing on hardware and system design. I learned DSP techniques, Computer Graphics rendering, Fuzzy Logic & Neural Networks, and Programming Languages with compiler design principles.

Bachelor of Technology, Technological University, Mandalay

2007 — 2011

Graduated with high honors, gaining expertise in computer science concepts like data storage, algorithms, programming, networking, and software engineering.

Certificate of Completion WSQ Search Engine Optimisation (SEO) Training Course, Equinet Academy, Singapore

Successfully completed a Search Engine Optimization course, gaining expertise in assessing SEO and SEM strategies, selecting tools, conducting keyword research, curating content, implementing on-page SEO, developing content and link-building plans, measuring campaign effectiveness, and improving keyword rankings and KPIs.

🏢 EMPLOYMENT HISTORY

Web Developer at Ace Pointer Information Technology, Singapore

December 2021 — June 2024

- Developed websites by transforming mockups into fully functional web presences using WordPress, PHP, HTML, CSS, jQuery, JavaScript, React.js, and development tools like Git, Visual Studio Code, and Chrome DevTools.
- Oversaw back-end development with PHP to maintain the integrity, security, and efficiency of multiple projects.
- Created custom WordPress plugins to integrate APIs, enhancing website functionality and third-party service connectivity.
- Provided troubleshooting and remediation for web applications to improve performance and user experience.

- Implemented Google-based SEO strategies and ad campaigns while managing budgets effectively.

Web Developer at Agility Logistics, Singapore

December 2019 — November 2021

- Revamped the in-house website with a modern, up-to-date design, built from scratch, and successfully launched it.
- Diagnosed and resolved website issues, including broken links, typographical errors, and formatting inconsistencies.
- Conducted ongoing maintenance, security updates, and performance optimizations to ensure website stability and efficiency post-launch.
- Collaborated with the Digital Marketing Team to define project goals, set milestones, and align development with marketing strategies.

Web Developer at Nexlabs Myanmar, Yangon

June 2017 — May 2019

- Developed PHP and HTML-based landing pages, micro-sites, and other web solutions outside of WordPress.
- Collaborated with a team of UX designers to create a new Web Content Management System.
- Managed an organized workflow using project management tools like GitHub.

Web Developer at Revo Tech Myanmar, Yangon

July 2015 — May 2017

- Crafted visually appealing, user-friendly layouts, wrote clean, efficient code, and developed responsive websites for seamless user experiences.
- Optimized performance with strategic plugin integration, implemented security protocols, and performed routine updates and maintenance.
- Communicated with clients to meet their needs, ensured accessibility standards, and monitored and enhanced website performance for SEO and user experience.

Web Developer & Web Designer at Myanmars.NET, Yangon

October 2013 — March 2015

- Collaborated with a team to develop and maintain websites and applications.
- Performed testing to ensure functionality, performance, and security.
- Assisted in building new websites and enhancing existing applications.
